Technician Phong

Model KUF18-3(FB)

Serial Number KUF18E8009

Fixed Yes

Work done to fix inv 1
Changed compressor for under bench fridge.
Changed drier, vacuum system, put gas 404
* The compressor runs, pressure doesn't look right,
suspect a blocked capillary.
Need to come back to change capillary.

inv2
3 door fridge
Changed capillary and suction pipe.
Blow nitro through system
Vacuum system and put gas r404a

Spare parts used Compressor, filter drier, Mainboard

Note : serviced over 2 days (2 invoices)
